

## **Coronavirus and the Tennis Club**

In the light of the Prime Minister's statement last night I am sorry to say that we are closing the Tennis Club with immediate effect.

We have tried to keep the Club open so that members can continue playing tennis, reflecting the benefits to health from playing our sport but the restrictions have closed in day by day and we can no longer continue.

We hope to resume playing at some stage during the summer but the timing of this is clearly uncertain.

I know that some of you have already paid your annual subscription for the year commencing 1st April and it is our plan to arrange a partial refund when we start playing again to reflect the lost period of play due to the Coronavirus crisis. However if you prefer to claim a full refund now then please email Joan Jones, our Membership Secretary at [joan\\_jones@btinternet.com](mailto:joan_jones@btinternet.com)

I hope that you and your families remain healthy during this uncertain period for us all.
