

We would like to invite you to play in the Avondale American Tournament to be held on Sunday 25 July.

Time: 1.15pm for prompt 1.30pm start. We expect to finish around 5.30pm.

Organiser: Paul Treacy

Who may Enter: Senior Members, Off Peak Members, Student Members and Senior Juniors.

Format of Play: Generally Mixed Doubles but there may be some Men's/Ladies' Doubles rounds depending on the mix of entrants.

There will be the 6 rounds of doubles play with each round comprising 8 games.

It is a good opportunity to mix in with other members so new members to the Club are especially welcome.

There will be small prizes for the overall winning man and winning lady.

Refreshments: There will be a break in play during the afternoon for coffee/tea and cake, the cost of which is included in the entry fee. Please bring your own drinks for use at other times during play.

Covid Restrictions: At the time of writing you will be required to stay outside, other than for use of toilets. This will apply also during the refreshment break. Social distancing must be observed at all times. Should restrictions be lifted on 19 July, greater access to the pavilion may be permitted.

Spectators: Should the restrictions be lifted on 19 July spectators may be permitted, however, we would prefer to avoid large gathering at this time.

How to Enter: [Click here for Entry Form](#) (The entry form refers to the tournament being "free", however the entry fee is £5.00 – see below).

Cancellation: You may cancel online up until 1.15pm on Friday 23 July. To cancel log on to Clubspark, Click My Account (found in the drop down menu under your name in the top RHS), Click Your Courses (LHS in green edged box) – Cancel (*This is a new feature*). For cancellations after this date please contact the tournament organiser.

Deadline: Friday 23 July or when all the 28 available places have been filled.

Entry Fee: £5 per person - payable on the day – please bring the correct amount.

A decision was made to increase the entry fee to £5 – this is the first increase in price for over 15 years and represents good value for an afternoon of fun including refreshments and tennis balls.

Places are strictly limited so if you wish to play, please enter as soon as possible.
